Subject MANSION Billing reports

29/05/2006 11:09 AM

Hi Hazel ,

As per the telco I will put up the ASR for MANSION Billing reports - 1. Weekly Storage Billing report 2. Inbound Billing report . As of current report, only the "Outbound Billing report" do not needs to do any amendment.

Kindly see attached for the sample of "Inbound Billing report " .

Pls note that in order to capture either "Pallet" or "Carton" billing, user is only allowed to input ONE data before finalisation. There should be a check.

Either :-

1. No of pallet - user key in under "Reference 3"

Or

2. No of cartons - user key in under "Total cases"

Do revert on any issue.

Thank you.
