Hi Yusming,

Please help to create 50 Apple Care WMS IDs with omg.tmp1 to omg.tmp50 as per requested by John.
We need this by tomorrow, thanks.
John already submitted UIMS.

Hi John,

Please provide UIMS number for us to speed up the process.

Also, you will need to maintain the list of omg.xxx that assign to who and date of assignment for any audit requirement.

Hi Dennis,

We have been told to bring forward the KBB stocktake to next weekend by apple. In light of this we require on-site IT support for both days as counts are done via RF guns. Kindly update us who will be supporting. Thank you for the help.
