Subject Re: GPC Variance Report 

Meena,

For the current "STAGE" report, would like to request for 2 additional columns as follows:

<b>Sku</b>	<b>LP</b>	<b>Qty</b>	<b>Loc</b>	<b>Date moved into Location</b>
1000028		200	STAGE	
1014945		80	STAGE	
1020193		189	CNPSTAGE	
1031313		3000	STAGE	
1034421		20	STAGE	
1034605		3	STAGE	
1041400		676	CNPSTAGE	

I would also like to request for another report on "BULK" location in the above format.

Plse advise if there are any concerns on the above requests.
