Dray,

I have initiated the report development. You should have a sample by Monday.

Christian will provide the data and work with you to teach you pivoting in Excel to get the results.

Regards

Chee Leong

Subject: MSO new reporting and Pivoting

Dear Chee Leong,

As mention earlier, MPS cut off date for the P&L will be next thursday 21st Aug. Please advise when will the new reporting for the MSO report be ready to run from the system? As i need to submit the report either 22nd or 23rd Aug.

Thanks & regards,
Dray Lim
