Subject NIS Summary report - To add more informations

Hi Hazel ,

As per the telco , we needs to add the following to the current report :-

1. Allocated date/Time
2. Shipped date/Time
3. The "wave key" column should be at the 2nd column after the "NI Pick ID".

The current report has the 'Order date/time" but is seems that the "time" is not visible on the screen but only can be seen when exported to exel.
Kindly assist .

Thank you.

Regards ,
