Dear Marian,

As we discussed, there is a requirement from our counterparts in Zurich to combine 2 customers inventories under existing owner of Evatec in SWIMS.

All current inventory of Oerlikon in SWIMS, shall be migrated into Evatec which is also in SWIMS.

After the mass system migration, we would like to still be able to view transactional history for Oerlikon.

Please advise us further on our requirement and we are having quite a tight schedule on it.

Thank You and with Best Regards,

Grüezi Frau Krüsi

Die Ich habe die oben genannte Faktura zur Überprüfung erhalten und stelle fest, dass unter Position 2 der „Monthly Fixec Charges“ insgesamt 45 Sqm à SGD 25.00 in Rechnung gestellt werden. Die SGD 25.00 / Sqm kann ich nachvollziehen aber für die 45 Sqm fehlt mir die Referenz. Können Sie mir diese bitte zusenden.

Besten Dank.
