Subject: RE: Besi Raw Data

Dear Vanitha,

Good day.

Biying has requested for 1 year outbound data that is similar to the report that you've extracted.
The report needs to reflect the packing dimensions in the form of Length, Width and Height.

Outbound data dated: **01/11/2017 – 31/10/2018**

Please advise if you need another ASR# to be raised for this.

Thank you & best regards,
