Subject: FW: Request for written confirmation -> Revision on aging WMS logic for S2, S4Trial & S7 Inventory

Hi, Dennis

Need yr help to expedite the below request. B+L have confirmed to change the logic for S2, S4Trial & S7. We need to include the current month to determine the inventory status.

Ie. Current month is March 2011; 6 months expiry is Aug 2011, not Sep 2011. Current WMS logic includes Sep 2011.

Thks & Best regards

Tay Jyh Huey (Ms) 郑志慧

Hi Mark,

Logic should be example expiry date is in 2011-08 for C15 trial lens.
 We are still able to issued to customer in FEB'11 as this are still within the 6 month.
 After the Feb'11 Redball day then you'll require to convert them to expired location (S7)

Subject: Request for written confirmation -> Revision on aging WMS logic for S2, S4Trial & S7 Inventory

Hi Christine,

As per our earlier conversation, kindly confirm on your request to have our WMS logic revised to include the current month into the calculations of aging inventory.

Kindly revert with a written confirmation to this e-mail as I'll need to submit this to our IT for system logic amendments, thanks!

The revised calculations of aging inventory under **S2**, **S4Trial** and **S7** are as follows:

For this instance, this change should compute the expiry date **2011-08** (YYYY-MM) as:

- 1) 2011-02, 2011-03, 2011-04, 2011-05 & 2011-06 (below 6 months) => S7
- 2) 2011-02, 2011-03, 2011-04, 2011-05, 2011-06 & 2011-07 (minimum of 6 months) => S2 (after conversion)
- 3) 2011-02 till 2012-05 (6 months till 16months) => S4Trial (for conversion)

With thanks & warmest regards,

Mark Wong
