Hi Melvin,

I has deployed the Bombardier hub and Shireen has been briefed on how to use. Need your help to brief her on the custom requirement.

Thanks and Regards,

Hi All,

Let arrange sometime next week then.

Eng Kiat,
Kindly update when you have it deployed to the users.

Hi Melvin,
the Bombardier Hub with Airlog is ready but yet to deploy to them. And I am on leave tomorrow.
Can we reschedule to another date?

Thanks and Regards,

Subject GST/Customs requirements part 2 for Bombardier

Hi David, Shireen,

Hi David, Shireen,

I understand from Eng Kiat that he has deployed the new hub with the GST features for Bombardier. This is together with part 2 of the air log initiative for Customs and GST requirements. Weiling from finance and myself would like to walkthrough with you team and Engkiat on the data capturing and reporting requirements.

Can we do this tomorrow afternoon at 2pm at your office. I expected to take about 1 hour to run through the requirement for your team to being the data capturing for GST reporting requirements.

Pls revert,

Thanks

Best Regards,
