Subject: Customised Crystal report for Esec (1050)

HI, Raquel

As discussed, understand that Eddie is on leave, I will need the below report to be generated urgently to eliminate some operations issues, pls help on this.

1) Stock count report with or without qty – by qty picked for the day
User will retrieve by customer code and date of picked items

2) Stock count report with or without qty – by receiving for the day
User will retrieve by customer code and date of receiving items

3) Transaction report by SKUs
Transactions include incoming, outgoing, move, adjustment.

Pls set Point 1 & 3 as top priority, thks in advance.

Thks & Best regards
